

5 Years Time

Noah and the Whale

Oh well, in five years time we could be walking round a zoo
With the sun shining down over me and you
And therell be love in the bodies of the elephants too
And Ill put my hand over your eyes but youll peek throughAnd therell be sun, sun, sun all over our bodies
And sun, sun, sun all down our necks
And therell be sun, sun, sun all over our faces
And sun, sun, sun, so what the heck?'Cause well be laughing at all your silly little jokes
And well be laughing about how we used to smoke
All those stupid little cigarettes and drink stupid wine
'Cause its what we needed to have a good timeBut it was fun, fun, fun when we were drinking
It was fun, fun, fun when we were drunk
And it was fun, fun, fun when we were laughing
It was fun, fun, fun, oh, it was funOh well, I look at you and say it's the happiest that Ive ever been
And Ill say I no longer feel I have to be James Dean
And shed say, yeah well, I feel pretty a happy too
And Im always pretty happy when Im just kicking back with youAnd itll be love, love, love all through our
bodies
And love, love, love all through our minds
And it'll be love, love, love all over her face
And love, love, love all over mineAnd though it's nearly all these moments are just in my head
Ill be thinking bout them as Im lying in bed
And I know that it nearly that it might not even come true
But in my mind Im havin a pretty good time with youOh, in five years time I might not know you
In five years time we might not speak
Oh, in five years time we might not get along
In five years time you might just prove me wrongOh, therell be love, love, love wherever you go
Therell be love, love, love wherever you go
Therell be love, love, love wherever you go
Therell be love, love, love wherever you goTherell be love, love, love wherever you go
Therell be love, love, love wherever you go
Therell be love, love, love wherever you go
Therell be love, love, love wherever you go
Therell be love
