

Fuck Time

Green Day

I drop your laundry and slam the door
I don't want your love so give me more
I'm a beggar but I don't wanna dime

Ahhh

Oh baby baby it's fuck time
You know I really wanna make you mine
Oh baby baby it's fuck time
There's nothing left to say yeah
Take a look into my eyes
I wanna hold you till I'm paralyzed
Oh Amanda Jones, your holy grace
I wanna choke you until your blue in the face
Got dirty thoughts and a dirty mind

Ahhh

Oh baby baby it's fuck time
You know I really wanna make you mine
Oh baby baby it's fuck time
There's nothing left to say yeah
Take a look into my eyes
I wanna hold you till I'm paralysed
{ Guitar Solo }
Take a look into my eyes
I wanna hold you till you're paralyzed
Take a look into my eyes
I wanna hold you till you're paralyzed
