Lions, Tigers, & Bears

Jazmine Sullivan

I'm not scared of lions and tigers and bears (oh my)
But I'm scared of (loving you)
I'm not scared to perform at a sold out affair (that's right)
But I'm scared of (loving you)
Am I the only one who thinks an impossible task?
Why it don't last? Is that too much to ask?
Why do we love Love, when Love seems to hate us?Sorry if I sound so filled with gloom
You say you care and I know you do
But this is from my experience
And my conclusion only makes sense
Just cause I love u and u love me,
It doesn't mean that that we're meant to be,
I can climb mountains, swim cross the seas,
But the most frightening thing is you & me!I'm not scared of lions and tigers and bears (oh my)
But I'm scared of (loving you)
I'm not scared to perform at a sold out affair (that's right)
But I'm scared of (loving you)
Am I the only one who thinks an impossible task?
Why it don't last? Is that too much to ask?
Why do we love Love, when Love seems to hate us?Most circumstances I know my fate
But in this love thing I don't get the game
Why does it feel like those who give in,
They only wind up losing a friend?
Just cause I love u and u love me,
It doesn't mean that that we'll ever be,
Fly cross the ocean, sing for the Queen,
But the most frightening thing is you & me!I'm not scared of lions and tigers and bears (oh my)
But I'm scared of (loving you)
I'm not scared to perform at a sold out affair (that's right)
But I'm scared of (loving you)
Am I the only one who thinks an impossible task?
Why it don't last? Is that too much to ask?
Why do we love Love, when Love seems to hate us?I'm not sure no, I'm not sure
But if we never try we'll never know
It's better to have loved than not to love at all
But trying is worst than to stumble and fall
And if what we do?
I'd rather it be with you
Cause at least there will be

Sweet memoriesI'm not scared of lions and tigers and bears (oh my)
But I'm scared of (loving you)
I'm not scared to perform at a sold out affair (that's right)
But I'm scared of (loving you)
Am I the only one who thinks an impossible task?
Why it don't last? Is that too much to ask?
Why do we love Love, when Love seems to hate us?
