

All Your Love I Miss Loving

Stevie Ray Vaughan & Double Trouble

Wo the love I miss lovin'
All the kiss I miss kissin'
Wo the love I miss lovin'
All the kiss I miss kissin'
Before I met you baby
I didn't know what I was missin'Wo the love pretty baby
I have in store for you
Wo the love pretty baby
I have in store for you
The way I love you baby
I know you'll love me too
Oh wo wo baby
Yes I love you baby
Oh wo yeah
You know I love you little darlin'
Yes I love you little lamb
So glad you're mineWo wo wo wo wo wo yeah
Yeah yeah you're mine
Oh wo yeah
You know I love you little baby
Yes I love you little baby
So glad you're mineWo the love I miss lovin'
All the kiss I miss kissin'
Wo the love I miss lovin'
All the kiss I miss kissin'
The way I love you baby
I didn't know what I was missin'
Wo the love pretty baby
I have in store for you
Wo the love pretty baby
I have in store for you
The way I love you darlin'
I know you'll love me tooWo wo wo baby
Yes I love you baby
Oh wo yeah
You know I love you little lamb
Yes I love you little baby
So glad you're mine
