

Whoever Brings the Night (Instrumental)

Nightwish

We seduce the dark with pain and rapture
Like two ships that pass in the night
You and I, a whore and a bashful sailor
Welcome to a sunrise of a dirty mindAll you love is a lie
You one-night butterfly
Hurt me, be the one
Whoever brings the nightThe Dark, created to hide the innocent white, the lust of night
Eyes so bright, seductive lies
Crimson masquerade where I merely played my part
Poison dart of desire
All you love is a lie
You one-night butterfly
Hurt me, be the one
Whoever brings the nightChoose a bride
Tonight a fantasy for a zombie
Hurt me, I love to suffer
Your harem's a dream for freeEnter
Suck from us and live forever
Rotten beauty
Will haunt you for a lifetimeCome with me underwater
And drown to despise me no more
Unholy, unworthy
My night is a dream for free
All you love is a lie
You one-night butterfly
Hurt me, be the one
Whoever brings the night
All you love is a lie
You one-night butterfly
Hurt me, be the one
Whoever brings the night
