

Altered State

Acid Lab

Who's gonna get your virgil

What's going on

Who's gonna get your home

Where's your mummy

Where's she gone

Who's gonna get your virgil

Who's that mummy

I don't know

Who' gonna get your home

Are you dead mummy

Don't think so

(male voice ad lib.)

Kin ke-se key ke-se

Aah yee-hey

Aah yee-hey

Kin ke-se key-se

Aah yee-hey

Aah yee-hey

Aah yee

Who's dead

I don't know

Tsk tsk now

I don't know

Ho ha ho ha ho ho ha ha ha

Ha ha haaa

Ho ho ho

Ho ho ho

(male voice ad lib)

Who's gonna get your virgil

What's going on

Who's gonna get your home

Where's your mummy

Where's she gone

Who's gonna get your virgil

Why that's funny

Don't know mummy

Who's gonna get your home

I don't know

Are you dead mummy
Who's gonna get your virgil
What's going on
Who's gonna get your home
Where's your mummy
Where's she gone
Who's gonna get your virgil
Why that's funny
Don't know mummy
Who's gonna get your home
I don't know
Are you dead mummy
Kin ke-se key ke-se
Aah yee-hey
Aah yee-hey
Kin ke-se key-se
Aah yee-hey
Aah yee-hey
Aah yee

(male voice ad lib.)
