

# Gravity

## Embrace

Honey, it's been a long time coming  
And I can't stop now  
Such a long time running  
And I can't stop now Do you hear my heart beating?  
Can you hear that sound?  
'Cause I can't help thinking  
And I don't look down And then I looked up at the sun and I could see  
Oh the way that gravity turns for you and me  
And then I looked up at the sky and saw the sun  
And the way that gravity pulls on everyone, on everyone Baby, it's been a long time waiting  
Such a long, long time  
And I can't stop smiling  
No, I can't stop now Do you hear my heart beating?  
And can you hear that sound?  
'Cause I can't help crying  
And I won't look down And then I looked up at the sun and I could see  
Oh the way that gravity turns on you and me  
And then I looked up at the sun and saw the sky  
And the way that gravity pulls on you and I, on you and I Can you hear my heart beating?  
Can you hear that sound?  
'Cause I can't help crying  
And I won't look down
