

Venom Venom

Rocket from the Crypt

Look into my eyes
(Venom, venom)
Oh, can't you see the potion?
(Venom, venom)The potion is a venom
(Venom, venom)
The venom is a poison
(Venom, venom)Look into my eye
(Venom, venom)
Can't you see the potion
(Venom, venom)The potion is a serum
(Venom, venom)
The serum is a venom
(Venom, venom)Look a little closer
(Venom, venom)
Look a little closer
(Venom, venom)The potion is a serum
(Venom, venom)
The serum is a venom
(Venom, venom)The venom is a potion
(Venom, venom)
The potion is a poison
(Venom, venom)So look a little closer
(Venom, venom)
Look a little closer
(Venom, venom)Venom, venom
Venom, venom
Venom, venom
Venom, venom
Venom, venom
Venom, venomThe lights are low, the lights are low
No one knows just where to go, the lights are low
(Venom, venom)The lights are low, the lights are low
No one knows just where to go, the lights are low
(Venom, venom)The lights are low, the lights are low
No one knows just where to go
