

As Long As I'm With You

Ingram Hill

I wanted more, wanted to
Don't wanna be, nobodys fool
Wanna hear that they think about me.

I need the truth, I need to hide
I need to be pumped full of light
I need to move, but it hurts just to breath

I'm still aching, but I'm not breaking
As long as I'm with you

I'm loosing ground, with regret
I'm trying hard, but I'm such a mess
I never dreamed, I'd get so behind.

Breaking ground, a broken heart
I'm falling out of disregard
Wanna scream, "What's left of my mind"

I'm still aching, but I'm not breaking
As long as I'm with you
I'm still aching, but I'm not breaking
As long as I'm with you

I've given up, a sacrifice
I went along with their compromise
But now I've got so much to achieve

There's nothing left, but wasted youth
It isn't much, but I'm sorry too
I made you weak, thank God that you believed

I'm still aching, but I'm not breaking
As long as I'm with you
I'm still aching, but I'm not breaking
As long as I'm with you

I can't fake it, but I will make it
As long as I'm with you
