

The Fighter

Gym Class Heroes

Yeah!

Verse 1:

Just wakin up in the morning
And to be well,
Quite honest with ya,
I ain't really sleep well
Ya ever feel like your train a thoughts been derailed?
That's when you press on- Lee nails
Half the population's just waitin to see me fail
Yeah right, you're better off tryina freeze hell
Some of us do it for the females
And others do it for the retails
But I do it for the kids, life through the towel in on
Everytime you fall its only making your chin strong
And I'll be in your corner like Mick baby, til the end
Or when you hear the song from that big lady

Bridge:

Until the referee rings the bell
Until both your eyes start to swell
Until the crowd goes home
What we gonna do ya'll?

Chorus (Ryan Tedder):

Give em hell, turn their heads
Gonna live life til we're dead.
Give me scars, give me pain
Then they'll say to me, say to me, say to me
There goes a fighter, there goes a fighter
Here comes a fighter
That's what they'll say to me, say to me
Say to me, this one's a fighter

Verse 2:

And if I can last thirty rounds
There's no reason you should ever have your head down
Six foot five, two hundred and twenty pounds
Hailing from rock bottom, loserville, nothing town
Text book version of the kid going nowhere fast

And now im yelling kiss my ass,
it's gonna take a couple right hooks a few left jabs

for you to recognize that you really aint got it bad

Bridge:

Until the referee rings the bell
Until both your eyes start to swell
Until the crowd goes home
What we gonna do ya'll?

Chorus (Ryan Tedder):

Give em hell, turn their heads
Gonna live life til we're dead.
Give me scars, give me pain
Then they'll say to me, say to me, say to me
There goes a fighter, there goes a fighter
Here comes a fighter
That's what they'll say to me, say to me
Say to me, this one's a fighter

Everybody put yo hands up
What we gonna do? (x7) ya'll
If you fall pick yourself up off the floor (get up)
And when your bones can't take no more
Just remember what you're here for
Cuz I know imma damn sure
Give em hell, turn their heads
Gonna live life til we're dead.
Give me scars, give me pain
Then they'll say to me, say to me, say to me
There goes a fighter, there goes a fighter
Here comes a fighter
That's what they'll say to me, say to me
Say to me, this one's a fighter
Till the referee rings the bell
Till both ya eyes start to swell
Till the crowd goes home,
What we gonna do kid?
