

I Learned How to Love from You

[Trace Adkins](#)

I cannot be bitter
Even when the tears fall
Tho I had to let you go
My heart knows
I learned how to love from you You found somethin' hiding
I did not know was missin'
An un-lit fire down in my soul
Now my heart knows
I learned how to love from you You love like there never was a risk
Shared your heart with every tender kiss
Now I know how much I have to give
Cause I learned how to love from you If I start to fall again
I'll close my eyes and not resist
Without fear I'll just let go
Cause my heart knows
That I learned how to trust
In the power of a touch
I learned how to love from you
