

# Kishi Kaisei (Nebbra Remix)

## Heartsrevolution

Roll the windows down  
Now turn your stereo up  
Because tonight-tonight we don't give two f\*cks  
    Caution to the wind  
    And they're gonna see  
    No matter what they play  
We're gonna live freeNow put your hands in the air  
And waive them round like you just don't give a uh  
    Just don't give a uh  
Now put your hands in the air  
    Put your hand in the air  
    Here we go yeah!  
    Kishi kaisei  
    Kishi kishi kaisei c'mon  
    Kishi kaisei  
Kishi kishi kaisei c'monLet the sunshine in  
    And let the light shine bright  
    Feel the power within  
    Because tonight's the night  
    Let the good times roll  
    Open heart and free  
    No matter what they play  
    We're gonna dance free  
    Now put your hands in the air  
And waive them round like you just don't give a uh  
    Just don't give a uh  
Now put your hands in the air  
    Put your hand in the air
