

# On A Wicked Night

**Danzig**

On A Wicked Night  
Hey My Lady In Black  
Now I See Your Back  
Haven't Seen You In A While  
Kinda Miss Your Deadly Smile  
On A Windy Night  
On A Windy Night  
On A Wicked Night  
On A Wicked NightHey My Lady In Death  
Have You Come For My Last Breath  
I Never Thought  
That We were Through  
I Bet You Knew I Knew It Too  
I never Thought  
That We Were Through  
I Bet You Knew That I Knew It TooOn A Windy Night  
On A Windy Night  
On A Wicked Night  
On A Wicked Night
