

# License to Kill

Gladys Knight

Ooh

Oh oh

I feel, I need, I've got to hold on to your love, oohHey baby, thought you were the one who tried to run away

Ooh, baby, wasn't I the one who made you want to stay?

Please don't bet that you'll ever escape me

Once I get my sights on youGot a license to kill (to kill)

And you know I'm going straight for your heart

(Got a license to kill)

Got a license to kill (to kill)

Anyone who tries to tear us apart

(Got a license to kill)

License to kill, oohHey baby, think you need a friend to stand here by your side?

Yes, you do (your side)

Ooh, baby, now you can depend on me to make things right (things right)

Please don't bet that you'll ever escape me

Once I get my sights on youGot a license to kill (to kill)

And you know I'm going straight for your heart

(Got a license to kill)

Got a license to kill (to kill)

Anyone who tries to tear us apart

(Got a license to kill)Got a license to kill (to kill)

And you know I'm going straight for your heart

(Got a license to kill)

Got a license to kill (to kill)

Anyone who tries to tear us apart

(Got a license to kill)Say that somebody tries to make a move on you

In the blink of an eye, I will be there too

And they better know why I'm gonna make them 'em pay

Till their dying day

Till their dying day

Till their dying dayGot a license to kill (to kill)

And you know I'm going straight for your heart, baby

(Got a license to kill)

Got a license to kill

Anyone who tries to tear us apart

(Got a license to kill)Got a license to kill (to kill)

And you know I'm going straight for your heart

(Got a license to kill)

Got a license to kill

Anyone who tries to tear us apart  
(Got a license to kill)  
License to kill  
Gotta hold onto your loving  
License to kill, ooh
