Invisible

Danko Jones

I'll crash my car, just for you.
I'll burn my house down, just for you.
I'll rip my nuts off, just for you.
I'll max my creditcards.
I'll sell my soul, just for you.
But nothing seems to be good enough.
I might be the longer road,
but I'd make it worth your while.
When you're invisible, it's easy. (2x)
I'll rip my eyes out, just for you.
I'll slash my wrists up, just for you.
I'll break my dick, just for you.
I'll make my momma cry.
I'll dip my hands in blood,
I'll be your kicking dog.
Point your crosshairs at my head,

I'll take it all.
When you're invisible, it's easy. (2x)
Come on, all right.
All right!
I'll crash my car, just for you.
I'll burn my house down, just for you.
I'll rip my nuts off, just for you.
I'll max my creditcards.
I'll rip my eyes out, just for you.
I'll slash my wrists up, just for you.
I'll break my dick, just for you.
I'll make my momma cry.
When you're invisible, it's easy. (2x)
