

# Thanks for Listening (feat. Daniel Lee)

## Colt Ford

That six string dreams when I was a kid  
Playing in the air guitar wishing I was a star  
Just wanted a chance to stand up here  
And play a few songs for y'allNow when I look out and see all these smiles  
After all these shows and all these miles

There's a feeling in my soul that makes it all worth whileAnd I wanna say thanks! Thanks for listening

So just raise your beer let me hear you cheer

To all those friends that I'm missing  
I wanna say thanks for coming out tonight  
You gotta sing along to your favorite song

And I hope y'all got a good timeI wanna say thanks! Na-na-na

Thanks! Na-na-na

Thanks! Na-na-na, thanks

Thanks for listeningIt ain't lost on me that you made your choice

To love my songs and hear my voice  
The Facebook nation call the radio station

Tryin' to get all Colt a few spinsNow speaking from the heart which is all I know

Every single night, every single show  
Time to give thanks where thanks is due

You all more than fans you're my friends tooThanks! Thanks for listening

Just raise your beer let me hear you cheer

To all those friends that I'm missing  
I wanna say thanks for coming out tonight  
You gotta sing along to your favorite song

And I hope y'all had a good timeI wanna say thanks! Na-na-na

Thanks! Na-na-na

Thanks! Na-na-na, thanks,

Thanks for listeningNa-na-na Na-na-na Na-na-na Na-na-na

Na-na-na Na-na-na Na-na-na Na-na-naTo my friends on Twitter try to find a babysitter

Girl's car broke down and you gotta go get her

And all you want to do is make it to the show tonightI wanna say: Thanks! Thanks for listening

So just raise your beer let me hear you cheer

To all those friends that I'm missing  
I wanna say thanks for coming out tonight  
You gotta sing along to your favorite song

And I hope y'all had a good timeI wanna say thanks! Na-na-na

Thanks! Na-na-na

Thanks! Na-na-na, thanks,

Thanks for listening

Thanks for listening

Thanks for listening The fans make us how we are

Y'all are the music

Thank y'all!

Thanks for listening!
