

Mother's Talk (Beat of the Drum mix)

Tears for Fears

My features form with a change in the weather
Weekend
We can work it outMy features form with a change in the weather
Weekend
We can work it outWhen the wind blows
When the mothers talk
When the wind blowsWhen the wind blows
When the mothers talk
When the wind blowsWe can, only we can work it outIt's not that you're not good enough
It's just that we can make you better
Given that you pay the price
We can keep you young and tenderFollowing in the footsteps of a funeral pyre
You were paid not listen now your house is on fireWake me up when things get started
When everything starts to happen (happen, hey yeah)My features form with a change in the weather
Weekend
We can work it out
My features form with a change in the weather
Weekend
We can work it outWhen the wind blows
When the mothers talk
When the wind blowsWhen the wind blows
When the mothers talk
When the wind blowsWe can, only we can work it outSome of us are horrified
Others never talk about it
But when the weather starts to burn
Then you'll know that you're in troubleFollowing in the footsteps of a soldier girl
It is time to put your clothes on and to face the worldDon't you feel your luck is changing
When everything starts to happen (happen, hey yeah)Put your head right next to my heart
The beat of the drum is the fear of the darkWe can work it out
We can work it out (there's a change in the weather)When the wind blows
When the mothers talk
When the wind blowsWhen the wind blows
When the mothers talk
When the wind blowsWe can, only we can work it out
