

# Josie

## Blink 182

Yeah, my girlfriend takes me home when I'm too drunk to drive  
And she doesn't get all jealous when I hang out with the guys  
She laughs at my dumb jokes when no one does  
She brings me Mexican food from Sombrero's just because  
Yeah, just because  
And my girlfriend likes U.L. and D.H.C.  
And she's so smart and independent, I don't think she needs me  
Quite half as much as I know, I need her  
I wonder why there's not another guy that she'd prefer  
And when I feel like giving up  
Like my world is falling down  
I show up at 3 a.m.  
She's still up watching Vacation  
And I see her pretty face  
It takes me away to a better place and  
I know that everything, know that everything  
Know that everything, everything's gonna be fine  
I know that everything, know that everything  
Know that everything, everything's gonna be fine  
Yeah, my girlfriend takes collect calls from the road  
And it doesn't seem to matter that I'm lacking in the bulge  
She laughs at my dumb jokes when no one does  
She brings me Mexican food from Sombrero's just because  
And when I feel like giving up  
Like my world is falling down  
I show up at 3 a.m.  
She's still up watching Vacation  
And I see her pretty face  
It takes me away to a better place and  
I know that everything, know that everything  
Know that everything, everything's gonna be fine  
I know that everything, know that everything  
Know that everything, everything's gonna be fine
