

# Smokestack Lightning

Dave Riley

Smokestack lightning  
Shine a light home  
Smokestack lightning  
Shining like gold  
Treats me like a clown  
Wheels go driving slow  
Trucks me out of town  
Wheels come driving slow

Tell me, baby  
So when you coming home?  
Tell me baby  
When you coming home?  
Wheels come driving slow  
Wheels come driving slow  
Wheels come driving slow
