

# All the Heavy Lifting (Live at Brixton)

## Mastodon

Lift you up again  
Give you to the trees  
All sound and visions are  
What they ask of me Let's run fast through the fields  
Over mountaintops  
Let's swim through ocean water  
And we'll never stop Just close your eyes  
And pretend that everything's fine  
Just close your eyes  
I'll tell you when Can you show me  
Where to find the stream  
I've been told before  
That the water's clean Will you come with me  
Two of us can drink  
Move quick we've got to hurry  
There's no time to think Just close your eyes  
And pretend that everything's fine  
Just close your eyes  
I'll tell you when We didn't come this far  
Just to turn around  
We didn't come this far  
Just to run away Just ahead  
We will hear the sound  
The sound that gives us  
A brand new day Just close your eyes  
And pretend that everything's fine  
Just close your eyes  
I'll tell you when
