So Small

[Carrie Underwood](...)

Yeah, yeahWhat you got if you ain't got love
The kind that you just want to give away
It's okay to open up
Go ahead and let the light shine through
I know it's hard on a rainy day
You wanna shut the world out and just be left alone
But don't run out on your faith'Cause sometimes that mountain you've been climbing
Is just a grain of sand
And what you've been out there searching for forever
Is in your hands
And when you figure out love is all that matters after all
It sure makes everything else seem so smallIt's so easy to get lost inside
A problem that seems so big at the time
It's like a river that's so wide it swallows you whole
While you're sitting around thinking about what you can't change
And worrying about all the wrong things
Time's flying by, moving so fast
You better make it count 'cause you can't get it backSometimes that mountain you've been climbing
Is just a grain of sand
And what you've been out there searching for forever
Is in your hands
Oh, and when you figure out love is all that matters after all
It sure makes everything else seem
So small, yeah yeah yeah yeah yeahSometimes that mountain you've been climbing
Is just a grain of sand
And what you've been out there searching for forever
Is in your hands
And then you figure out love is all that matters after all
It sure makes everything else
Oh, it sure makes everything else seem
So smallYeah, yeah
