Until Shiloh Comes

Chris Delvan Gwamna

Listen to me o ye heavens,
Give me your ears o ye earth
Let my words be like the rain
And like the dew that falls upon the herb that grows in the field

Verse 1:
Praise the Lord o ye people
Come praise Him for His wisdom
He has kept His praise away
With little children and sucklings of the earth
And His wisdom can only be found
With the low things of the earth
He's raised His family established in the Church of the living Christ
As He is now in the heavens
So are we right here on the earth
To rule the earth with the rod of iron
Until all His enemies bow
We have power over all the nations
Cause we are riding on the eagle wings
Jesus our head was once dead
But now He lives forever
Believe me when I say..
(Instrumentation)

Verse 2:
We are the light of the world
We are the city that is set on a hill
We are the salt of the earth
Streams from the river of joy
But no man ever lights a candle
Only to keep it in a hidden place
We are here on earth for a plan and a reason
Dominion is our call
We're not rats that're running a hopeless race
You are lions in the winning race
We have power over all the power of the enemy
The devil's a defeated foe
Come to me all ye who are weak and heavy laden

Come drink in the words of life
The word of the Lord is our weapon my friend
And of the increase of His kingdom there shall be no end

Chorus:
The word of the Lord will not fail
Until Shiloh comes
Until Shiloh comes
Until Shiloh comes
(Twice)

Verse 3:
Jesus the light of the world
Is the hope of all creation
Redeemer and Mighty Lord
King of kings, He's the Lord of Lords
But now I see an evil under the sun
Something wrong in the house of the king
The sons of Zion are held down in captivity
while their servants ride upon the horse
But ye are gods all ye children of the most high
You'll only prosper by the truth you know
If the foundations of the earth is destroyed
What can the righteous man do
You put your hands to the plough but you look back
Sure you're not worthy for the prize of the call
See the whole of creation is groaning
They are calling for the sons to show
But a man of honour who doesn't understand
Surely will die like a beast in the fields
It was Moses the father Himself showed as the way
He said a prophet of the most high he is
And unto him shall the gathering of His people be
We seek a city whose foundation is the Lord
Come out from amongst them
It's time to take the mandate stone
We must follow Jesus the lamb of God
He's our example

Hold the lamb
Hold Him till end
Hold the lamb
No matter the pressure
Hold the lamb
Every word He says

Hold Him till the end of time
Hold him
(Repeat)
Hold the Lamb
Hold him to the end

Chorus:
The word of the Lord will not fail
Until Shiloh comes
Until Shiloh comes
Until Shiloh comes
