

The Mesopotamians

They Might Be Giants

Advisory - the following lyrics contain explicit language:

We've been driving around
From one end of this town to the other and back
But no one's ever seen us
(No one's ever seen us)
Driving our Econoline van
(And no one's ever heard of our band)
And no one's ever heard of our band We're the Mesopotamians
Sargon, Hammurabi, Ashurbanipal and Gilgamesh Then they wouldn't understand a word we say
So, we'll scratch it all down into the clay
Half believing there will sometime come a day
Someone gives a damn
Maybe when the concrete has crumbled to sand We're the Mesopotamians
Sargon, Hammurabi, Ashurbanipal and Gilgamesh The Mesopotamish sun is beating down
And making cracks in the ground
But there's nowhere else to stand in Mesopotamia
(No one's ever seen us)
The kingdom where we secretly reign
(And no one's ever heard of our band)
The land where we invisibly rule As the Mesopotamians
Sargon, Hammurabi, Ashurbanipal and Gilgamesh Here's is my last stick of gum
I'm going to cut it up so everybody else gets some
Except for Ashurbanipal who says my haircut
Makes me look like a Mohenjo-Daroan Hey, Ashurbanipal, I'm a Mesopotamian
Sargon, Hammurabi, Ashurbanipal and Gilgamesh
We're the Mesopotamians
Sargon, Hammurabi, Ashurbanipal and Gilgamesh Hey, man, I thought that you were dead
I thought you crashed your car
No, man, I've been right here this whole time
Playing bass guitar for the Mesopotamians We're the Mesopotamians
Sargon, Hammurabi, Ashurbanipal
Sargon, Hammurabi, Ashurbanipal and Gilgamesh
We're the Mesopotamians

Sargon, Hammurabi, Ashurbanipal and Gilgamesh
