

Have Yourself a Merry Little Christmas

Barbra Streisand

Christmas' future is far away
Christmas' past is passed
Christmas' present is here today
Bringing joy that will last Have yourself a merry little Christmas
Let your hearts be light
From now on our troubles
Will be out of sight Have yourself a merry little Christmas
Make the yule time gay
From now on our troubles
Will be miles away Here we are as in olden days
Happy golden days of young
Faithful friends who are dear to us
Gather near to us once more
