

Big Backyard

Tesco Vee's Hate Police

Pretty woman don't try to hide your love.

Because I'm a sex crazed man you know and I just can't get enough. Too much is never too much. When it comes to a woman's flesh. Skin like silk. It's easy to the touch. That's why I want I want I want them so much. I play in her big backyard. I want to lay in her big backyard. She is a ton of fun. And she's the only one. That could make me love her all night long. Well she's got so much to give. More than any man can live. Too much too much can queen be mine, I want to stick it I wanna banana. I want to play in her big backyard. I want to stay in her big backyard. Pretty woman don't try to hide your love.

Because I'm a sex crazed man you know and I just can't get enough. Too much is never too much. When it comes to a woman to poke or two. Skin like silk. It's easy to the touch. That's why I want I want I want them so much. I want to play in her big backyard. I want to lay in her big backyard.
