

# We Should Be Together

**Maria Muldaur**

I think about you  
When I don't want to  
Dream about your smiling face  
I keep trying not to love you  
But I love you anyway We should be together, together  
We should be walking side by side  
We should be together, together  
Keeping each other satisfied  
I have thought to come to know you  
I've come to need your company  
What will I do if I can't have you  
If I can't have you  
What will I do We should be together, together  
We should be walking side by side  
We should be together, together  
Keeping each other satisfied  
We should be together, together  
We should be walking side by side  
We should be together, together  
Keeping each other satisfied...
