

See You

Depeche Mode

All I want to do is see you again
Is that too much to ask for?
I just want to see your sweet smile
Smiled the way it was before Well, I'll try not to hold you
And I'll try not to kiss you
And I won't even touch you All I want to do is see you
Don't you know that it's true I remember the days when we'd walk through the woods
And sit on a bench for a while
I treasure the way we used to laugh and play
And look in each others eyes You can keep me at a distance
If you don't trust my resistance
But I swear I won't touch you All I want to do is see you
Don't you know that it's true Well, I know five years is a long time
And that times change
(Oh, that times change)
But I think that you will find
People are basically the same
(Basically the same) If the water's still flowing, we can go for a swim
Do the things we used to do
And if I'm reluctant you can pull me in
And we can relive our youth Oh, but we'll stay friendly
Like sister and brother
Though I think I still love you All I want to do is see you
Don't you know that it's true?
All I want to do is see you
Don't you know that it's true? All I want to do is
(See you)
All I want to do is
(See you)
All I want to do is
(See you)
