

# Hand To Mouth

## Kymaera

I recognize the symptoms, but I don't know the cure  
Your feelings are so useless, banging your head on the wall  
Well I'll improve your station, if I get half a chance  
No overnight sensation, matters to you right now  
Yeah it's all too unreal, you know the way I feel  
When I got time to kill, that's when I get my fill  
    Livin' hand to mouth  
    The money it don't come anymore  
    Well it never came too much anyway,  
    We spread it here and we spread it there  
    Never worry about the next day  
    Oh these times they come and go  
    But I really don't give a damn  
    See'est la vie and wish you well  
    Heading for the promised land  
Yeah it's all too unreal, you know the way I feel  
When I got time to kill, that's when I get my fill  
    Of livin' hand to mouth  
I recognize the symptoms, but I don't know the cure  
Your feelings are so useless, banging your head out on the wall  
Yeah it's all too unreal, you know the way I feel  
When I got time to kill, that's when I get my fill  
    Yeah...
