(You Make Me Feel Like) A Natural Woman

Carole King

Lookin' out on the morning rain
I used to feel uninspired
And when I knew I had to face another day

Lord, it made me feel so tiredBefore the day I met you, life was so unkind
But your love was the key to my peace of mind'Cause you make me feel, you make me feel
You make me feel like a natural womanWhen my soul was in the lost and found
You came along to claim it

I didn't know just what was wrong with me

Till your kiss helped me name itNow I'm no longer doubtful of what I'm living for 'Cause if I make you happy I don't need to do moreYou make me feel, you make me feel You make me feel like a natural womanOh, baby, what you've done to me

You make me feel so good inside
And I just want to be close to you
You make me feel so aliveYou make me feel, you make me feel
You make me feel like a natural woman
