

Shiny & New (Instrumental)

Mayer Hawthorne

Oh girl, oh girl...Hold your body close to mine
Leave behind all of the worries on your mind
I can see it in your eyes
We've been waiting for this moment to arriveAnd you make me feel
Feel so shine and new
Like I'll never be blue again
And all magic feelings never fades
I want to spend the rest of my days.. with youLove me in that special way
Let your lips say what no words can ever say
Lets not waste another day
Lock the door and then we'll throw the key awayAnd you make me feel
Feel so shine and new
Like I'll never be blue again
And all magic moment feel so right
I want to spend the rest of my life.. with youOh girl, only you make me feel brand new
Oh girl, you make me feel brand new...
