Motorhead

Motorhead

Sunrise, wrong side of another day
Sky high six thousand miles away
Don't know how long I've been awake
Wound up in an amazin' state
Sunrise, wrong side of another day
Sky high six thousand miles away
Don't know how long I've been awake
Wound up in an amazin' state
I can't get enough
You know it's righteous stuff
Goes up like prices at Christmas, this
Motorhead, you can call me
Motorhead, all right
Brained out, total amnesia
Get some mental anesthesia
Don't move, I'll shut the door, kill the lights
If I can't be wrong I must be right
All good clean fun
Have another stick of gum
Man, you look better already, aah
Motorhead, remember me now
Motorhead, all right
(Fuck)
Fourth day, five day marathon
We're movin' like a parallelogram
Don't move, the mornin's not a pretty sight
I guess I'll see you all on the ice
I should be tired
All I am is wired
Ain't felt this good for an hour
Motorhead, remember me now
Motorhead, all right
