Superhero

Dee Snider

There ain't nobody better than you
You've got the fire to make your dreams come through
Don't let 'em hold you down
Try 'n push you 'round
'Cause you've got something to proveGonna take it to the speed of sound
Gonna crush it if you hold your ground
Got a lion's heart
They can't tear it apart
As you soar into the cloudsYou must believe and trust
Make a stand, fight the unjust
Raise your voice and let the whole world know
Gonna be a Superhero (Superhero)
Gonna fly much higher than you've ever known (Superhero)
Faster than a bullet's speed
Be the star you were born to beKing Kong ain't got nothing on you
Got the strength to break on through
Don't let them hold you down
Try 'n push you 'round
'Cause you've got something to proveIt's time to rise up 'n' save the day
Make a stand and never walk away
You've got a lion's heart
They can't tear it apart
Let nothing get in your wayYou must believe and trust
Make a stand, fight the unjust
Raise your voice and let the whole world know
Gonna be a Superhero (Superhero)
Gonna fly much higher than you've ever known (Superhero)
Faster than a bullet's speed
Be the star you were born to beAnd you'll break down these walls
Nothing's stopping you at all
You're never gonna fall
If you just believeGonna be a Superhero (Superhero)
Gonna fly much higher than you've ever known (Superhero)
Faster than a bullet's speed
Be the star you were born to beBe a Superhero (Superhero)
Gonna be a Superhero (Superhero)
Gonna be a Superhero (Superhero)
Faster than a bullet's speed
Be the star you were born to be
