Damaged

Plumb

Dreaming comes so easily
'Cause it's all that I've known
True love is a fairy tale
I'm damaged, so how would I know?I'm scared and I'm alone
I'm ashamed
And I need for you to knowI didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near meDidn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near meHealing comes so painfully
And it chills to the bone
Will anyone get close to me?
I'm damaged, as I'm sure you knowI'm scared and I'm alone
I'm ashamed
And I need for you to knowI didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near meDidn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near meThere's mending for my soul
An ending to this fear
Forgiveness for a man who was stronger
I was just a little girl but I can't go backI didn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near meDidn't say all the things that I wanted to say
And you can't take back what you've taken away
'Cause I feel you, I feel you near meCan't go back, I can't go back
Can't go back, can't go back
I can't go back, I can't go back
I can't go backI must go on, I must go on
I must go on, I must go on
I must go on, I must go on
I must go on
