## Pray for the Soul of Betty

The woods are oh so dangerous  
Don't you wander off in them  
Let me take you by the hand  
And show you  
The way To Fear Trippin' over myself  
Flying, no thanks to wealth  
Feeling everything that I see  
Climbing on up just to be me Got to get outside myself  
I'm going to leave this human race  
Going to live like no one else  
Listen just to what's inside of me Line up children  
Get in line  
Find your partner  
All hold hands up high Got to get my mind unclean The woods are oh so dangerous  
Let's go run around in them  
Let me take you by the hand  
And show you  
The way To feel
