

# Comfortably Numb

Van Morrison

Hello  
Is there anybody in there?  
Just nod if you can hear me  
Is there anyone home? Come on now  
I hear you're feeling down  
Well, I can ease your pain  
And get you on your feet again Relax  
I need some information first  
Just the basic facts  
Can you show me where it hurts? There is no pain, you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're sayin' When I was a child I had a fever  
My hands felt just like two balloons  
Now I got that feeling once again, I can't explain  
You would not understand, this is not how I am I have become comfortably numb Okay  
Just a little pinprick  
There'll be no more  
But you may feel a little sick Can you stand up?  
I do believe it's working good  
That'll keep you going through the show  
Come on it's time to go There is no pain, you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move but I can't hear what you're sayin' When I was a child I caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone, I cannot put my finger on it now  
The child is grown, the dream is gone And I have become comfortably numb
