

Cannibal

Mental As Anything

I have a heart I swear I do
But just not baby when it comes to you
I get so hungry when you say you love me
 If you know what's good for you
 I think you're hot I think you're cool
 You're the kinda guy I'd stalk in school
But now that I'm famous, you're up my anus
 Now I'm gonna eat you fool!

[CHORUS]

I eat boys up, breakfast and lunch
Then when I'm thirsty, I drink their blood
 Carnivore animal, I am a Cannibal
 I eat boys up, you better run
 I am Cannibal
 I am Cannibal (I'll eat you up)
 I am Cannibal
 I am Cannibal (I'll eat you up)

Whenever you tell me I'm pretty
That's when the hunger really hits me
You're little heart goes pitter patter
 I want your liver on a platter
 Use your finger to stir my tea
 and for dessert I'll suck your teeth
Be too sweet and you'll be a gonner
 I'll pull a Jeffrey Dahmer

[CHORUS]

I eat boys up, breakfast and lunch
Then when I'm thirsty, I drink their blood
 Carnivore animal, I am a Cannibal
 I eat boys up, you better run
 I am Cannibal
 I am Cannibal (I'll eat you up)
 I am Cannibal
 I am Cannibal (I'll eat you up)

Ohohwoahohwoah [x8]

I am Cannibal
I am Cannibal (I'll eat you up)
I am Cannibal
I am Cannibal (I'll eat you up)

I love you
I warned you
