

# The Three R's

Mitchel Musso

3,3,3, is the magic  
3,3,3, is the magic  
3,3,3, is the magic number  
3. it's a magic number  
Yes, it is  
It's the magic number  
Because 2 times 3 is 6  
And 3 times 6 is 18  
And the 18th letter in the alphabet is R  
We got three R's  
We're gonna talk about today  
We gotta learn to  
Reduce, reuse, recycle  
Reduce, reuse, recycle  
Reduce, reuse, recycle  
Reduce, reuse, recycle  
If your going to the market to buy some juice  
You gotta bring your own bag of waste to reduce your waste  
We gotta learn to redude  
If your brother or your sister has some cool clothes  
You gotta try some on before you buy some of those  
Reuse  
We gotta learn to reuse  
If the two R's dont work out  
  
And if you have some trash dont throw it out  
Recycle  
We gotta learn to recycle!  
We gotta learn to  
Reduce, reuse, recycle  
Reduce, reuse, recycle  
Reduce, reuse, recycle  
Reduce, reuse, recycle  
Cause 3! it's the magic number  
Oh yes it is!  
It's the magic number  
3!  
3!  
3!

3,6,9,12,18,21,24,27,30,33,36,  
33,30,27,24,21,18,12,9,6,3!

Is the magic number

Yes it is

It's the magic number

Gotta learn

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce, reuse, recycle

Reduce, reuse, recycle

3! is the magic number
