Something to Do

Consumed

verse:
Why subject yourself to this?
There must be something better for you.
Use both hands, take all you can.
Jump in the deep end, after all it's something to do.
If you had your time again,
there must be something in it for you.
Take your leave, do as you please.
Jump in the deep end, after all it's something to do (4x)
something!
Have you ever realize,
you're coming on strong with your moral stance?
Be yourself, you'll be okay.
Live your life anyway.
verse
Appreciate your freedom,
after all it's something to do.
Something to do (3x)
