Call Me Maybe

Dave Days

I threw a wish in the well
Donâ€™t ask me Iâ€™ll never tell
I looked to you as it fell
And now youâ€™re in my way
Iâ€™d trade my soul for a wish
Pennies and dimes for a kiss
I wasnâ€™t looking for this
But now youâ€™re in my way

Your stare was holding
Ripped jeans, skin was showinâ€™
Hot night, wind was blowinâ€™
Where you think youâ€™re going baby?

Hey, I just met you and this is crazy
But hereâ€™s my number, so call me maybe
Itâ€™s hard to look right at you baby
But hereâ€™s my number, so call me maybe
Hey I just met you and this is crazy
But hereâ€™s my number, so call me maybe
And all the other girls try to chase me
But hereâ€™s my number, so call me maybe

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still youâ€™re in my way
I beg and borrow and steal
At first sight and itâ€™s real
I didnâ€™t know I would feel it
But itâ€™s in my way

Your stare was holding
Ripped jeans, skin was showinâ€™
Hot night, wind was blowinâ€™
Where you think youâ€™re going baby?

Hey, I just met you and this is crazy
But hereâ€™s my number, so call me maybe
Itâ€™s hard to look right at you baby

But hereâ€™s my number, so call me maybe
Hey I just met you and this is crazy
But hereâ€™s my number, so call me maybe
And all the other girls try to chase me
But hereâ€™s my number, so call me maybe

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so so bad
Before you came into my life
I missed you so bad
And you should know that
I missed you so so bad

Itâ€™s hard to look right at you baby
But hereâ€™s my number, so call me maybe

Hey, I just met you and this is crazy
But hereâ€™s my number, so call me maybe
And all the other girls, that want my babies
Hereâ€™s my number, so call me maybe

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so so bad
Before you came into my life
I missed you so bad
And you should know that
So call me maybe
