

Kiss Kiss

ELEL

Dang dang chin change my name...
Rocking me every single way
Over and over you know how to be dreamy
So I only wanna dance with you
Kiss, kiss you hear unless you hide
Green color ... up in your life
Motion I know what you're meaning
I know, I know
What you're meaning
Ohh honest never moved like this, baby you can move like that
Ohhh
Kiss, kiss somewhat you wanna know
a.r.p.e.g.g.i.o
My body I doubt it
I want you to play a lot on me
Common, common...
You're gonna let me
Waiting, waiting
For you to agree
Oh honest never flet like this, baby you can move like that
Oh honest never felt like this baby you can move like that
Oh
Mooooove me
Mooooove me
Move me
Move me
OhOh honest never flet like this, baby you can move like that
Oh honest never felt like this baby you can move like that
