

I've Got My Love to Keep Me Warm

Bette Midler

The snow is snowing and the wind is blowin'
But I can weather the storm
What do I care, how much it may storm?
I've got my love to keep me warm I can't remember a worse December
Just watch those icicles form
What do I care if icicles form?
I've got my love to keep me warm Off with my overcoat, off with my glove
I need no overcoat, I'm burnin' with love
My heart's on fire, the flame grows higher
So I will weather the storm What do I care, how much it may storm?
Thank you baby, I've got my love to keep me warm Off with my overcoat, off with my glove
I need no overcoat, I'm burnin' with love
Oh, my heart's on fire, ooh, the flame grows higher
So I will weather the storm What do I care, how much it may storm?
I've got my love to keep me warm
I've got my love to keep me warm Ooh, baby, it's cold outside
Really, really cold outside
