I Got the Car Key

KC Pozzy

Kc Pozzy:

She be my Bentley
Continental
She be my Beema
Call her my Enzo
She be my porche
She be my spyder
Call her my Maybach
I like the way she deh ride am

Maserati, Bugatti, Aston Martin
Lamborghini, my Ferrari, I got the car key X2

I'm loving it
Loving the way that she ride it
She's loving it the way that i put in the car key
Show me your body work
Show me the body work
I wanna take you home girl
I wanna make you roll

7 days in a week
I deh roll in my motor
I deh whip my whip
Che you know what I mean X2

She be my Bentley
Continental
She be my Beema
Call her my Enzo
She be my porche
She be my spyder
Call her my Maybach
I like the way she deh ride am
Â
Maserati, Bugatti, Aston Martin
Lamborghini, my Ferrari, I got the car key X2

Monday when I roll out I roll out with my Bugatti

Ms Banks:

7 days of the week your attention I seek
Boy you know that I'm feeling you
From my head to my feet you can see I'm on fleek
So tell me what you want to do
I don't know how you know how to make me kolobo
You're making me loose my mind
Even though deh search I no forget my worth
So come on and show me the sign
When you shoob In the car key rev like a Harley
Makes me feel naughty
When I step in the party feel like Serani
See dem no like me
But everyday deh be preeing me on my video
I tell them Fimilae baby If you no feel me though
So my baby just come It's me and the sun
I be driving you crazy no Lamborghini though
