

# Right Here (Human Nature radio mix)

[SWV](#)

Lately, there seems to be  
Some insecurities  
About the way I feel  
Where I want to be

Boy, you know it's with you  
No one can do  
The things you do to me  
Never to be mistaken

Long as it's love we're making  
There'll be no hesitating, you and me.  
That's the way it will be  
And I won't leave your side  
You should know...

[Chorus:]  
Love will be right here, be right here  
Right here, be right here  
(Don't you have no) No fear, have no fear  
(Don't shed) no tears, love is here

True love some don't believe in  
That's just what I'm giving  
I'm gonna keep it strong  
I'll be holding on to you.

No one can do me like you do, it's true  
Sure as the sun is shining  
Our love will keep on climbing  
There's gonna be some rain, gonna be some pain

But as long as I know  
Boy, time will show  
Our love will grow, and I know...

[Chorus]

[Bridge:]  
Won't let go. You should know this thing is real

No questions, just listen to you heart and  
Love will be right...

[Rap-Taj]

Baby, what's the problem  
It's seems like we're having trouble  
You don't seem to understand  
The life I lead ain't double

My heart belongs to you, and only you  
And you know it's true  
A phony imitation just won't do  
Relax your mind

I'm not the kind who runs around  
And wastes time, other fine brothers just don't compare  
I'll be there, I swear, far or near, have no fear  
I don't care, you can count on me, I'm right here

[Repeat Chorus]
