

Motivation (Ill Factor & Linney Remix)

Kelly Rowland

Oh lover, don't you dare slow down
Go longer, you can last more rounds
Push harder, you're almost there now
So go lover, make momma proud And when were done, I don't wanna feel my legs
And when were done, I just wanna feel your hands all over me baby
But you can't stop there, music still playin' in the background
And you're almost there
You can do it, I believe in you baby
So close from here Baby I'ma be your motivation
Go, go, go, go, motivation
Go, go, go, go Uh, girl I turn that thing into a rain-forest
Rain on my head, call that brainstorming
Yeah this is deep, oh, but I go deeper
Make you lose yourself, and finders keepers
It go green light, go Weezy go
I like to taste that sugar, that sweet and low
But hold up wait, new position
I put her on my plate then I do the dishes
She my motivation, I'm her transportation
Cause I let her ride, while I drive her crazy
Then I just keep going going, like I'm racing
When I'm done she hold me like a conversation Weezy baby And when were done, I don't wanna feel my legs
And when were done, I just wanna feel your hands all over me baby
But you can't stop there, music still playin' in the background
And you're almost there
You can do it I believe in you baby
So close from here, baby I'ma be your motivation Oh lover, when you call my name
No other, can do that the same no
I won't let ya get up out the game no
So go lover, don't it make me rain And when were done, I don't wanna feel my legs
And when were done, I just wanna feel your hands all over me baby
But you can't stop there, music still playin' in the background
And you're almost there
You can do it I believe in you baby
So close from here baby I'ma be your motivation
