

# Surviving Ain't Living

Alex Clare

Stuck in a row, you can't get out  
There's too much causing you down  
No catch, no time, no self-esteem  
They're out taking, and not giving Just surviving ain't living  
Just surviving ain't living  
Just surviving ain't living  
Just surviving ain't  
Feels like  
(Oh oh oh oh)  
Living  
Feels like  
Falling  
Feels like  
(Oh oh oh oh)  
Just surviving ain't  
Feels like  
(Oh oh oh oh)  
Feels like  
Falling  
Feels like  
(Oh oh oh oh)  
Just surviving ain't  
Don't let nothing hold you down  
Nothing hold you down, down  
Don't let nothing hold you down  
Nothing hold you down, down They may wreck your dreams if you let them  
Keep the goal inside, don't forget them  
Keep your head up high 'cause the future's bright  
Keep your head up high Stuck in a row, you can't get out  
There's too much causing you down  
No catch, no time, no self-esteem  
They're out taking, and not giving  
Just surviving ain't living  
Just surviving ain't living  
Just surviving ain't living  
Just surviving ain't  
Feels like  
(Oh oh oh oh)  
Living

Feels like  
Falling  
Feels like  
(Oh oh oh oh)  
Just surviving ain't  
Feels like  
(Oh oh oh oh)  
Feels like  
Falling  
Feels like  
(Oh oh oh oh)  
Just surviving ain't Don't let nothing hold you down  
Nothing hold you down, down  
Don't let nothing hold you down  
Nothing hold you down, down Just surviving ain't
