Deja Vu (Acoustic)

Jessica Lowndes

Diamonds in the dark
Tears roll down my chin
You were JFK
I was Marilyn
Hot summer nights
Crazy alibies
Sweet taste of your skin
Chocolate goodbyes
After all the fights
You're my deadly sin
And I know
I gotta turn the page and walk away
But I can't
Something here that makes me want to stay
Tell me, tell me, tell me
What am I supposed to do?
Help me, help me, help me
I'm having a deja vu
It feels like I've been here before
Hoping you walk through the door
My heart can't take no more
Help me, help me, help me
I'm having a deja vu
Tea at 5pm
The bells of Big Ben
Never made it to the seine
Or streets of Saint Germain
Hot summer nights
Crazy alibies
Sweet taste of your skin
Chocolate goodbyes
After all the fights
You're my deadly sin
And I know
I gotta turn the page and walk away
But I can't
Something here that makes me want to stay
Tell me, tell me, tell me
What am I supposed to do?

Help me, help me, help me
I'm having a deja vu
It feels like I've been here before
Hoping you walk through the door
My heart can't take no more
Help me, help me, help me
I'm having a deja vu
I'll wait all day
I'll wait all night
Just breath into me
And bring me back to life
It feels like I've been here before
Hoping you walk through the door
My heart can't take no more
Help me, help me, help me
I'm having a deja vu
It feels like I've been here before
Hoping you walk through the door
My heart can't take no more
Help me, help me, help me
I'm having a deja vu
It feels like I've been here before
Hoping you walk through the door
My heart can't take no more
Help me, help me, help me
I'm having a deja vu
