

Medicine Man

Whitesnake

You never leave her alone
I can see you never learn
When you're playing with fire
You get your fingers burned There ain't no use in crying
Baby, don't delay
You can call your doctor
I'll be there right away I'm the medicine man
Your doctor of love
Medicine man
Doctor of love When there's a feeling inside
That just can't be denied
I will be your medicine man Now don't you ever worry
If you feel the fever rise
You'll never fool nobody
When there's fire in your eyes There ain't no use denying
When you need it deep inside
You've got your witch doctor
To keep you satisfied I'm the medicine man
Your doctor of love
Medicine man
Doctor of love When there's a feeling inside
That just can't be denied
I will be your medicine man
Yeah You never leave her alone
I can see you never learn
When you're playing with fire
You get your fingers burned There ain't no use in crying
Baby, don't delay
You can call your doctor
I'll be there right away I'm the medicine man
Your doctor of love
Medicine man
Doctor of love When there's a feeling inside
That just can't be denied
I will be your medicine man Your doctor of love
I'm medicine man
Doctor of love When there's a feeling inside
That just can't be denied
I will be your medicine man Your doctor of love

Your medicine man, baby
Doctor of love When there's a feeling inside
That just can't be denied
I will be your medicine man
Medicine man
