Medicine Man

Whitesnake

You never leave her alone

I can see you never learn

When you're playing with fire

You get your fingers burnedThere ain't no use in crying

Baby, don't delay

You can call your doctor

I'll be there right awayI'm the medicine man

Your doctor of love

Medicine man

Doctor of loveWhen there's a feeling inside

That just can't be denied

I will be your medicine manNow don't you ever worry

If you feel the fever rise

You'll never fool nobody

When there's fire in your eyesThere ain't no use denying

When you need it deep inside

You've got your witch doctor

To keep you satisfiedI'm the medicine man

Your doctor of love

Medicine man

Doctor of loveWhen there's a feeling inside

That just can't be denied

I will be your medicine man

YeahYou never leave her alone

I can see you never learn

When you're playing with fire

You get your fingers burnedThere ain't no use in crying

Baby, don't delay

You can call your doctor

I'll be there right awayI'm the medicine man

Your doctor of love

Medicine man

Doctor of loveWhen there's a feeling inside

That just can't be denied

I will be your medicine manYour doctor of love

I'm medicine man

Doctor of loveWhen there's a feeling inside

That just can't be denied

I will be your medicine manYour doctor of love

Your medicine man, baby
Doctor of loveWhen there's a feeling inside
That just can't be denied
I will be your medicine man
Medicine man
