Camaro

Triggerfinger

I've been around
Been around indeed
I tell you nothing
Nothing can competeTurn my head
But I can't be satisfied
Without a high-powered mutant
High-powered mutant of your kindOoh yeah, yeah, you looks are top
Ooh, another, another won't be enoughMaybe if I say it every time
Oh, how deep it would be?
I wanna make that Camaro mineMy Camaro, ooh, ooh, no
My Camaro, so slowToday I passed you on the street
And my heart fell right there at your feet
At your feet, at your feet
At your feetMy Camaro, go, go
My Camaro, so slow
My Camaro, ooh, ooh, no
My Camaro, so slow
