When Your Mind's Made Up

The Frames

So if you want somethin'
And you call, call, then I'll come runnin'
To fight and I'll be at your door
When there's nothin' worth runnin' forWhen your mind's made up
When your mind's made up
There's no point tryin' to change itWhen your mind's made up
When your mind's made up
There's no point even talkin'You see, you're just like anyone
When the shit falls, all you wanna do is run away
And hide all by yourself
Well, there's no one that's gonna run to helpWhen your mind's made up
When your mind's made up
There's no point tryin' to change itWhen your mind's made up
When your mind's made up
There's no point even talkin'When your mind, your mindThere's no point tryin' to change it
When your, your, yourSo if you ever want somethin'
And you call, call, then I'll come runnin'
